NEXT PVIA HOA MEETING: Tuesday, May 3, 2016 at 6:30 pm at Sabin Elementary School. The June meeting will be in the park.

SOCIAL COMMITTEE

The Social Committee was very disappointed that both Easter Egg Hunt Days were cancelled due to the snow storms. I think this was the first time that this has happened. With combined efforts from Loretta Schuh and Jane Brown in an attempt to salvage the Easter Egg Hunt, the Easter Eggs and goodies were bagged up and handed out to our resident's children. Jane Brown handed out the treats from her home making many of the neighborhood children very happy. There were some leftovers which were donated to "The Father Judy's House" at Fort Logan. Rob and Marlene Collins delivered those leftovers to the "Father Judy's House". Great work and thanks go to Loretta Schuh, Jane Brown, and Rob and Marlene Collins for their time, hard work and efforts.

GARAGE SALE Our annual "Garage Sale" is on **Friday June 3rd and Saturday June 4th**. This is a great opportunity to find a new home for some of those one of a kind items you have been saving for just such an occasion. We will not have a donation truck this year for those items that are left over.

ARCHITECTURAL CONTROL COMMITTEE

With all the heavy late snows we have had in our Community there has been some broken limbs and branches at several residences in the Village. The large item pick up service will take those smaller limbs and branches if they are cut down to a manageable size, bundled and tied. The next large item pick up date is May 4th. If you have additional questions regarding these matters the 311 service can help. I would like to thank the Residents who were in the Park after the snow gently knocking off the heavy snows that were weighing down the limbs and branches of the flowering trees along Lehigh. Some of the branches were lost due to the weight but there is no doubt that their efforts prevented a lot more carnage. Thank you, thank you.

GAMES IN THE PARK

Is anyone interested in some neighborhood get-togethers this summer? Bring your Frisbee, football, volleyball, horseshoes, corn hole, croquet, hula hoop, or any another yard game on over to the park, along with some refreshments, and have fun with other Pinecrest Village neighbors! Maybe one or two Thursday or Friday evenings per month, 6:00-7:30; or late afternoon on a weekend day once or twice per month. Please contact Christie at christierew@gmail.com with the subject "Park Fun" to state your preference, and we'll announce the plan for June in the next newsletter.

SECRET ELF

The Pinecrest "Secret Elf" has struck again bringing smiles to our residents. Our bear at the entrance was duly decorated for our Easter season and enjoyed by all. Thanks to our "resident" that keeps us happy☺

DID YOU KNOW

What is the meaning of the folds of the American flag when presented to the family at the gravesite.

The **first** fold of our flag is a symbol of life.

The **second** fold is a symbol of our belief in eternal life.

The **third** fold is made in honor and remembrance of the veterans departing our ranks who gave a portion of their lives for the defense of our country to attain peace throughout the world.

The **fourth** fold represents our weaker nature, for as American citizens trusting in God, it is to Him we turn in times of peace as well as in time of war for His divine guidance.

The **fifth** fold is a tribute to our country, for in the words of Stephen Decatur, "Our Country, in dealing with other countries, may she always be right; but it is still our country, right or wrong."

The **sixth** fold is for where our hearts lie. It is with our heart that we pledge allegiance to the flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with Liberty and Justice for all.

The **seventh** fold is a tribute to our Armed Forces, for it is through the Armed Forces that we protect our country and our flag against all her enemies, whether they be found within or without the boundaries of our republic.

The **eighth** fold is a tribute to the one who entered into the valley of the shadow of death, that we might see the light of day, and to honor mother, for whom it flies on Mother's Day.

The **ninth** fold is a tribute to womanhood; for it has been through their faith, their love, loyalty and devotion that the character of the men and women who have made this country great has been molded.

The **tenth** fold is a tribute to the father, for he, too, has given his sons and daughters for the defense of our country since they were first born.

The **eleventh** fold, in the eyes of a Hebrew citizen represents the lower portion of the seal of King David and King Solomon, and glorifies in their eyes, the God of Abraham, Isaac, and Jacob.

The twelfth fold, in the eyes of a Christian citizen, represents an emblem of eternity and glorifies, in their eyes, God the Father, the Son, and Holy Spirit.

When the flag is completely folded, the stars are uppermost reminding us of our nation's motto, "In God We Trust". After the flag is completely folded and tucked in, it takes on the appearance of a cocked hat, ever reminding us of the soldiers who served under General George Washington, and the sailors and marines who served under Captain John Paul Jones, who were followed by their comrades and shipmates in the Armed Forces of the United States, preserving for us the rights, privileges, and freedoms we enjoy today. There are some traditions and ways of doing things which have deep meaning. You will see many flags folded in the coming weeks, and now you will know why.

Happy Memorial Day --- Don't forget our troops.
