**NEXT PVIA HOA MEETING: Tuesday, June 7, 2016 at 6:30 pm IN THE PARK** - Refreshments will be served.

Chris from O'Tooles will be our guest speaker in the park for our June meeting. His presentation will consist of lawn care and getting your gardens going.

**SOCIAL COMMITTEE** Reminder to all that the Community garage sale will be on June 3rd and 4th this year. We will again be partnering with The Pinehurst Community to share the cost of advertising the sale. The garage sale is a good way to turn unwanted items into some extra cash. We are hoping for fair weather that weekend, allowing for a successful sale for one and all. Items that failed to sell can be taken to the Goodwill store in Bear Valley or one of the other donation centers throughout the Denver Metro area. We will not have a Truck in the community for drop offs. We hope all will have a safe and profitable sale.

**ARCHITECTURAL CONTROL COMMITTEE** The Spring rains have helped to green up the lawns in our area and all over the Denver Metro Area. The early flowers have also started their blooming season. Unfortunately the wild grasses, weeds and dandelions have also started their season. There are many products that will help in the battle of the unwanted weeds and dandelions. Following the product manufacturers directions closely will provide the best results in this battle, helping to make your lawn green and healthy.

Some residential projects require a zoning or building permit to comply with Denver Zoning Laws and Regulations. If you want to find out if a permit is required for your project, information can be found, On line at: [residentialpermits@denvergov.org](mailto:residentialpermits@denvergov.org)

Phone 720-865-2710  
Office 201 west Colfax Dept. 205  
Denver Co. 80202

**ISLAND COMMITTEE** Both of the pear trees in the island need to be taken out and replaced. We are talking to the city to see if they will give us any help with that. If not we will have to remove the trees and plant new ones. We are waiting to plant the birdbath planter until we see when the tree situation is resolved, but it will be planted soon.

**REMINDER** To the home owners whose properties back up on Sheridan the weed control and trash pickup is **their** responsibility. The city will issue tickets and fines if the owner does not take care of the area behind their fences to the street.

**SCHOOL'S OUT** Please watch out for children playing or crossing in our streets. Summer is a carefree time for them and sometimes they don't pay much attention to cars traveling in the neighborhood. Hopefully, we can help them out with their youthfulness☺

## DID YOU KNOW

Father's Day is celebrating its 106th anniversary this year on June 19, and it all began when a young woman wanted to honor her dad.

In May of 1909, Sonora Smart Dodd of Spokane, Wash<sup>WA</sup>, sat in church listening to a Mother's Day sermon. She decided she wanted to designate a day for her dad, William Jackson Smart. Dodd's mother had died in childbirth, and Dodd's father, a Civil War veteran, had taken the responsibility of singlehandedly raising the newborn and his other five children.

The following year, Dodd wanted to celebrate Father's Day on June 5th, her father's birthday, and petitioned for the holiday to be recognized in her city. Needing more time to arrange the festivities, Spokane's mayor pushed the date back by two weeks, and the first Father's Day was celebrated on June 19, 1910, according to the Spokane Regional Convention and Visitor Bureau.

At the first Father's Day celebration, young women handed out red roses to their fathers during a church service, and large baskets full of roses were passed around, with attendees encouraged to pin on a rose in honor of their fathers – red for the living and white in memory of the deceased. Dodd then brought her infant son along on a horse-drawn carriage ride through the city, bringing roses and gifts to home-bound fathers.

While Congress was quick to officially declare the second Sunday in May as Mother's Day in 1914, after it was first celebrated on May 10, 1908, it took much longer for Father's Day to be legally recognized. But thanks to Dodd's celebration, Father's Day steadily gained popularity.

In 1924, President Calvin Coolidge said that he supported it, in order to establish closer relationships between fathers and their children and to impress upon fathers the full measure of their obligations, according to the Library of Congress.

And the holiday gained more traction in 1938 when a trade organization, the National Council for the Promotion of Father's Day, which was formed by men's clothing retailers in New York City, decided to take up the cause, according to *Consumer Rites: The Buying and Selling of American Holidays* (Princeton University Press, 1995).

President Lyndon Johnson issued the first presidential proclamation honoring fathers in 1966, but it wasn't until 1972 that President Richard Nixon signed the public law that made it a permanent holiday. Since then, Father's Day has become a time to recognize the many different father figures in our lives.

**Happy Fathers Day**
