2/15 – Trash, Recycle
2/23 – Trash

NEXT PVIA HOA MEETING
Tuesday, FEB 7, 2017 at 6:30 PM at
Sabin Elementary Grade School

ISLAND COMMITTEE

Good news.....Bobbi Wegener will be helping on the Island Committee. Welcome aboard and thanks for volunteering, Bobbi.

CITY SNOW PLOWING UPDATE:

New Criteria For Calling Out The Residential Plows:

Plows could be deployed during any point in the winter snow season (program used to run November 15 to March 15) 6 inches or more of snow predicted (criteria used to be 12 inches of snow predicted). The Manager of Denver Public Works recommends this program to the Mayor when necessary.

Resources Utilized And What They Do:

City employees in 4x4 pickup trucks with plows are deployed to clear side streets throughout the City. Denver Public Works and Denver Parks & Recreation staffs operate the residential plows; a special driver's license is not required to operate a residential plow.

What To Expect:

The residential plows take one swipe down the middle of every side street to prevent deep ice rutting and to keep the streets passable. The residential plows shave off the top few inches of snow pack and will not expose bare pavement. The residential areas will not receive any anti icing or de-icing material.

HOA SURVEY

The Board would like to thank everyone who responded to our recent neighborhood survey!

We greatly appreciate the feedback and look forward to addressing your questions and concerns as best we can.

Some of the issues brought to our attention are unfortunately out of our control. For issues that are outside of the PVIA's purview (for example, park issues that fall to Denver Parks Dept. or speeding issues that fall to Denver Police), we will do our best to communicate those issues to the proper agencies and we will keep you updated through the monthly meeting, the newsletter and direct contact.

Did You Know

♥ The British Museum holds a letter believed to be the oldest valentine still in existence.

♥ Charles d’Orléans, was captured by the English at Agincourt and was then kept prisoner for the next twenty-five years. He passed his time writing sorrowful poetry, including the **St. Valentine’s Day** letter that describes his sadness at being parted from his love.

Based on your feedback, here are a few of the goals we will be working on this year:

1. *Looking for ideas to improve attendance of our community meetings*
2. *Keeping the website updated with neighborhood information and utilizing it for announcements and events*
3. *Encourage compliance with city codes and ordinances and with our PVIA covenants*
4. *Adding to and improving our social events*
5. *Fostering neighborhood relationships and increasing opportunities for volunteerism*

As always, we welcome you to attend the monthly meetings to voice your thoughts and opinions of our neighborhood.

IN SYMPATHY

Our condolences go out to the family of **Bill McGee** who recently passed away.

- ♥ Today we associate “love” with the heart, but this wasn’t always the case. In medieval times, the internal organ believed to cause love was the liver.
- ♥ The first Valentine ever to be sent was believed to be in 1415.
- ♥ The Roman goddess Venus was **Cupid’s** mother.
- ♥ Many believe the X symbol became synonymous with the kiss in medieval times. People who couldn’t write their names signed in front of a witness with an X. The X was then kissed to show their sincerity.
- ♥ In the Middle Ages, young men and women drew names from a bowl to see who would be their Valentine. They would wear this name pinned onto their sleeves for one week for everyone to see. This was the origin of the expression “to wear your heart on your sleeve.”

Happy Valentine’s Day
