FEBRUARY

Save The Date for an Egg-cellent Event!!!

It's not too early to mark your calendars! Join us in the park on March 30 at 11:00 AM for our annual Spring celebration. Easter egg hunt will start at 11:00, followed by food and activities! All are welcome to come enjoy our wonderful community.

Please Do Not Damage Trees or Other Public Property

Someone has been breaking branches off of many trees at the park. This is causing a lot of damage, is creating safety hazards, has come to the attention of Denver Parks & Recreation and the board, and has many of our neighbors very concerned.

Please, *please*, **please**: if you have been doing this, stop.

February is Bath Safety Month

This February is Bath Safety month, reminding you to take some extra precautions and save yourselves from home injuries.

Bathing is such a routine activity that we often neglect to take proper precautions while we're in what is absolutely one of the most dangerous places in our homes. But there are a lot of things we can do to minimize the risk of injury in the bath. And many of these precautions are especially important for the very young and the very old.

Safety bars — or grab handles — and non-slip mats inside the tub or shower are just two of the most effective — and most common — ways to stay safe in our soapy havens.

Neighbors Helping Neighbors

Hey Pinecrest family, my name is Amber deAragon and my family and I have been residents of Pinecrest for about 11 years now. I saw a need and wanted to try and organize a neighbors helping neighbors group. I believe neighbors helping neighbors is a key component of strong communities and a recipe for ensuring all members are able to live safely and comfortably in the place we call home. We all need a helping hand from time to time!

If you are in need or know someone that needs help please contact myself and we will do our best to help you out. Some things that we can help with are, but not limited to: shoveling sidewalks & driveways, minor household chores or repairs, help moving a piece of furniture or help with bringing in your trash and recycle bins.

Please call or send me your request. I will try my best to match you up with someone that lives close to you that can help you. Also, if you are someone that wants to be on the helping end of this group please send me name and phone number, your cross streets, and what you can help with.

Together we are stronger!
