Spring Projects!

Spring is just around the corner and with it comes plans for home projects. As a reminder, any "changes, alterations or other improvements" require review and authorization from the PVIA Architectural Committee. This requirement would apply to house painting, adding/replacing a fence, window replacement, building a shed and similar projects. The requirements are defined in the PVIA Covenants, which can be found in your PVIA Directory or at pinecrestvillage.org under the Documents tab.

Please feel free to contact a member of the Architectural Committee to discuss your project or if you have questions.

March is Eye Safety Month

To help alleviate eye problems many of us currently experience, the American Academy of Ophthalmology has marked March as Eye Safety Month and put together some helpful tips to keep your eyes safe and secure:

Make sure to get a regular eye exam by an ophthalmologist. They can rule out the possibility of serious eye disease as the cause of your symptoms and update or add eyeglasses to resolve the issue.

When you're in front of a computer screen, make sure you sit approximately 20 inches from the computer monitor with the top of the screen at or below eye level.

Take periodic rest breaks and try to blink often to keep your eyes from drying out.

We have noticed an uptick in trash left in the park. Thanks to all who have been helping pick up and dispose of it. The city provides trash cans all around the park.

Pinecrest Village Has a Book Club!

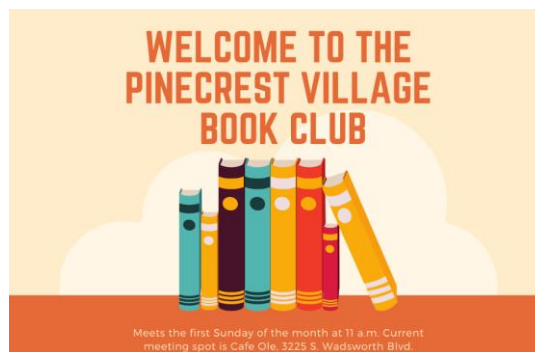

The Pinecrest Village Book Club meets the first Sunday of each month from 11 a.m.-12 p.m. We are meeting at Café Ole, 3225 S. Wadsworth Blvd. The group will likely meet in the park once the weather is warmer. This is a casual conversation about a variety of books. Upcoming dates and the books are listed below.

March 5 – Let the Wild Grasses Grow by Kase D. Johnstun

April 2 – What Alice Forgot by Liane Moriarty

May 7 – The View from Delphi by Johnathan Odell

We hope to see you there!

Got Decorations?

We know the snow has been on the ground forever, and it has been cold. And as it's almost time for St. Patrick's Day decorating, if you've still got them, please get those last holiday lights and decorations down. Thanks, in advance!

Keep an Eye on Mail

Several mailboxes were tampered with during a late night/early morning in early February, with some important mail stolen. It might be good to check your mailbox later than you're used to, in case delivery has happened late. Luckily this is a rare (though not unprecedented) occurrence here.
