

# Pinecrest Village News

The next Pinecrest Village Improvement Association (PVIA) meeting will be on Tuesday, October 1 at 6:30pm, at Sabin Elementary School, SBES-Classroom 111. All Pinecrest Village homeowners are welcome.

## Halloween Events

**October 26** - Halloween Costume Parade and Bagels  
Join us at the park at 10 AM for the annual Halloween Costume Parade. We will serve bagels & cream cheese, take a march around the park, and all kids get a treat at the end! All ages are welcome to come enjoy the community, have a bagel, or simply bring a lawn chair and observe the awesome costumes!

**October 31**- Happy Halloween! Trick or treating starts at dusk. A very fun and spooky addition to our neighborhood this year would be garage haunted houses! If you see this and feel inspired, we would love to see a few of these around the neighborhood for Halloween!

## Wondering About Weeds Along Sheridan?

The board has continued communicating with several local and state entities to ensure that the tall weeds along Sheridan, between 285 and Kenyon, are removed. It is unclear who is responsible for the area, although the state (CDOT) has handled this in the past. The city councilman's office shares our frustration. Weeds between the Sheridan sidewalk and the neighborhood fence are on the properties of the respective Pinecrest homes backing to the fence.

### **Update from the Safety Committee Chairman**

There have been several recent incidents that are of concern to me from a community safety perspective. The attempted theft of our bear, vehicle break-ins, graffiti on signage, attempted arson and excessive speeding in the neighborhood are a few examples. Extra patrols have been conducted by District 4 officers as time permits between responding to calls for service.

While we live in one of the safest areas in southwest Denver, we need to remain vigilant as we go about our daily activities. If you see any suspicious activity, call the police non-emergency number (720-913-2000). If you have an emergency situation. Call 911. "See something, say something" is an important part of a safe community mindset. An involved neighborhood is a safe neighborhood. The PVIA board is planning another Neighborhood Watch meeting to determine the level of interest in establishing this program in Pinecrest Village. Please call me and let me know if you would like to learn more about this important community involvement program.
